## FMAS TRAMPOLINE FUND

---

REPORT 5

2023 - 2024

This was previously the ACI Trampoline Fund which has been renamed to FMAS Trampoline Fund following the change of name of ACI Singapore to **Financial Markets Association of Singapore**. This was announced during the 47th Annual General Meeting held on 14 January 2021.

# About FMAS

**FINANCIAL  
MARKETS  
ASSOCIATION  
of SINGAPORE**

Affiliated to ACI FMA

**Formed in 1972, FMAS is the standard bearer for financial markets professionals in Singapore. Their history has been inextricably linked to Singapore's emergence as a leading financial centre in the world.**

Formerly known as ACI Singapore – The Financial Markets Association, the Association was renamed to Financial Markets Association of Singapore on 31st March 2021, and is affiliated with ACI – The Financial Markets Association, the global body. This Paris-based global body, Association Cambiste Internationale (ACI), has more than 13,000 international members worldwide in over 60 countries, making it the largest international association in the wholesale financial markets. ACI was founded in France in 1955 following an agreement between foreign exchange dealers in Paris and London.

FMAS is an active participant in the ACI Global arena and with the ACI FMA Standing Committees. FMAS's Singapore members have been elected to various global committees over the years, and presently to the ACI FMA, Board of Education.

FMAS is also a leading Financial Markets Training provider in Singapore, with its industry-standard, in-house training based on a training roadmap developed in partnership with the Singapore Management University (SMU). All these underpin FMAS's commitment to the continuing education and professional development of our members, and the industry.

Over the past 30 years, FMAS has raised over \$14.3 million through its annual Charity Golf and Dinner events. This charity drive is widely and actively supported by our members, the dealing fraternity and financial institutions across Singapore.

In 2023, the FMAS Charity Golf Fundraiser raised \$370,695 from 45 family offices, corporate and individual donors. The funds have been committed to support 13 social impact projects in 2023.

# Executive Summary

**The FMAS Trampoline Fund is a partnership fund administered by The Majority Trust that supports nonprofit programmes and initiatives that address the longer-term needs of vulnerable groups in Singapore, to provide a “trampoline” for them to bounce back from difficulties towards a better future.**

Since 2020, the FMAS Trampoline Fund has raised \$2.91 million, supporting 67 projects. Last year, **FMAS raised \$370,695 at the 2023 FMAS Charity Golf Fundraiser which supported 13 social impact projects and served 16,745 beneficiaries** in the domains of education, employment and community projects. This report provides an update on all projects since 2021 with a focus on the 2023 grantee partners.

The Fund supports programmes in 3 domains:

## Education

Working with children and youth to build key academic and interpersonal skills;

## Employment

Helping those from disadvantaged backgrounds find better jobs and build careers;

## Community

Improving our collective well-being, and communal ability to support families who are striving to do better.

The FMAS Trampoline Fund draws inspiration (as well as its name) from President Tharman Shanmugaratnam's "trampoline" idea — that social assistance should ultimately help those in need bounce back and thrive.

The Fund looks at supporting programmes that work with the vulnerable and disadvantaged to further empower them to change their lives for the better.

**"I believe in the notion of a trampoline [...] If you provide help for someone who is willing to study hard; if you provide help for someone who is willing to take up a job and work**

**at it [...] it transforms culture. It's not just about transactions. It's not just about the size of grants. It's about keeping alive a culture where I feel proud that I own my home and I earn my own success through my job. I feel proud that I'm raising my family. And keeping that culture going is what keeps a society vibrant."**

**President Tharman Shanmugaratnam**  
St. Gallen Symposium, 2015

# FMAS Trampoline Fund Highlights

## INPUT

Funds Available Since 2020:

**\$2.91M**

Figures are cumulative from 2020 to Jan 2024

Funds Available at 2023 Grant Round:

**\$371K**

Funds Committed (Grant Round 2023):

**100%\***

\* Funds committed are based on the total grant amount approved by the 2023 Grant Panel

## OUTPUT

Total Grants Awarded

**67**

Figures are cumulative from 2020 to Jan 2024

Total Beneficiaries Reached

**158,539**

Total Volunteers Rallied

**43,707**

Beneficiaries by Target Group

■ Seniors – 110,029 ■ Communities – 37,247 ■ Children and Youth – 9,501 ■ Families – 803 ■ Vulnerable Adults – 959

Beneficiaries by Programme Type

■ Programme & Interventions – 104,663 ■ Outreach & Awareness – 53,876

## OUTCOME

The projects funded under the FMAS Trampoline Fund consistently contribute to the following outcomes:

1. Enhanced employment prospects
2. Better academic performance, social and emotional learning competencies, and parental self-efficacy
3. Improved general wellbeing

### 2023 Grant Round

As of Jan 2024, projects funded under the 2023 Grant Round has achieved the following outcomes:

#### Enhanced employment prospects

Participants felt more supported and encouraged to work towards their career goals after attending the funded programmes.

#### Improved general wellbeing

Participants experienced improvements to their mental well-being after attending the funded programmes or using the funded services.

## IMPACT

### Thriving beneficiaries

Our grantee partners provided support for the vulnerable and disadvantaged that equips and empowers them to bounce back and improve their lives.

# FMAS Trampoline Fund

The FMAS Trampoline Fund is a partnership with the Financial Markets Association of Singapore (FMAS) to support non-profit programmes and initiatives that address the longer-term needs of vulnerable families and communities in Singapore beyond the Covid-19 crisis, to provide a “trampoline” for

them to bounce back from difficulties towards a better future. The Fund aims to create sustainable change in beneficiaries' lives e.g. empowering vulnerable workers through job guidance and skills training, and supporting disadvantaged children and youth in education.

# Trampoline 2023 Grant Round Fund Metrics

OVERVIEW	AMOUNT
Funds Available	\$371K
Funds Committed (Grant Round 2023)	100%

Correct as at Jan 2024

## Output Metrics

NO. OF BENEFICIARIES BY TARGET GROUP*	
Children And Youths	2,829
Seniors	4,131
Communities	9,451
Families	183
Vulnerable Adults	151
<b>Total No. Of Beneficiaries:</b>	<b>16,745</b>

NO. OF BENEFICIARIES BY PROGRAMME TYPE*	
Programmes and Interventions	16,720
Outreach and Awareness	25
<b>Total No. Of Volunteers:</b>	<b>13,718</b>

Correct as at Jan 2024

\*As grantee partners were only onboarded in 2023 Q3 after the Grant Panel meeting in July, the output metrics are based on less than 6-months worth of data. TMT will continue collecting data from grantee partners and provide a more comprehensive update on 2023 grantee partners in the next report.

# Collective Outcomes

Since 2021

The FMAS Trampoline Fund covers a range of beneficiaries and clients, spanning children, youth, women, working adults, and the elderly. It provides multiple opportunities for people to bounce back, no matter where they are in life. Given the diversity of target groups, different metrics are used to measure the Outcomes from the three pillars.

## Employment – Enhanced employment prospects

Overall, funded programmes have helped to enhance the employment prospects of programme participants at the job searching phase, and in actual employment.

### Job preparation

Participants who have undergone Image Ready's IM Ready! Programme reported an average improvement of 60% in their confidence to self-promote after attending the programme.

### Actual employment

Daughters of Tomorrow's Job Readiness Programme has helped 77% of participants from the Job Readiness Programme sustain employment for more than 6 months.

The Prison Youth Outreach Programme by REACH Community Services has also helped 65% of their youths gain employment and/or go back to school.

## Education – Better academic performance, social and emotional learning competencies, and parental self-efficacy

Overall, funded programmes have directly and indirectly contributed to better educational outcomes of programme participants through direct academic support, the strengthening of social and emotional competencies, and the empowerment of parents in their child's education.

### Direct academic support

Participants of HCSA Community Services' Getting Back on My Feet! programme had all successfully graduated to their next respective academic level of study.

**Social and emotional learning** Teachers from ART:DIS' Ceramic Art Programme have reported improvements to participants' social skills such as the development of appropriate eye contact, and the ability to initiate and comfortably share about their day.

Participants from Tasek Jurong's Art Lab Programme reported that 7 in 10 participants felt competent, and experienced autonomy during their art lab sessions.

### Parental programmes

Parents who went through Curious Thoughts Giving's Watering the Seed programme reported feeling, on average, 75% more confident in teaching their children English.

## Community – Improved general wellbeing

Overall, funded programmes have contributed to improvements in the overall wellbeing of their beneficiaries, such as lower levels of distress.

### Mental Wellbeing

81% of surveyed youths reported reduced anxiety levels after using the service provided by Limitless.

Participants of SPACES Counseling and Community's Oogachaga YOuth programme also shared qualitatively that SPACES had provided them with a welcoming and open space which allowed them to feel safe enough to share their worries and concerns openly with lesser qualms.

# 2023 Grant Outcomes

As funded programmes from the Education pillar only commenced in 2024, the runway is too short for grantee partners to collect meaningful outcome data. Against this context, we will only report outcomes from the Employment and Community pillars in this section.

## Employment

The Trampoline fund seeks to help those from disadvantaged backgrounds (e.g. ex-offenders and vulnerable youth) find better jobs and build their careers. Types of programmes funded under this category include mentoring, and job preparation programmes.

The HSCA Step Up programme provides social support and mentorship to 20 ex-offenders and at-risk girls. The programme is currently ongoing and mentorship areas broadly cover career, personal, and academic growth. Based on their mid-mentorship report, 89% of surveyed mentors and mentees reported being satisfied with the programme. Mentees have also shared qualitatively that they feel comfortable seeking advice, and have received guidance to actively work on, and achieve their goals.

## Community

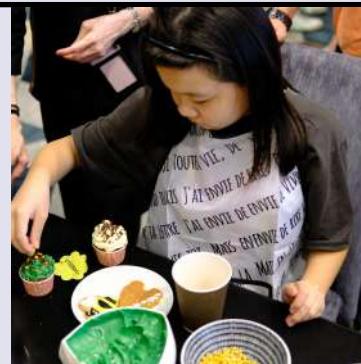

The Trampoline Fund also funds community programmes with the aim of improving general well-being, which includes mental well-being and social well-being. Our grantee partners have reported improvements in the overall well-being of their beneficiaries. Specifically, 81% of surveyed youths reported reduced anxiety levels after using services by the Limitless team.

TMT will continue working closely with grantee partners to collect more outcomes data to help us better understand the longer-term impact of the Fund.

# Featured 2024 Grantee Partner Stories

## New Life Stories

Every child is embedded within various systems of support – however, when one pillar falls, the child is crippled from opportunities. New Life Stories works with young children whose parents are incarcerated, through reading as a medium, while working with incarcerated parents to return to their role as parents upon release – in order to rebuild the child's systems of support.

## HCSA Community Services

Ex-offenders and youth with complex traumas are often well-supported within the existing ecosystems in their recovery and reintegration. But after systemic support, their social disadvantage, lack of access to education and upskilling opportunities holds them back, affecting their reintegration into society. HCSA plugs that gap through a mentoring programme in partnership with corporates.

## ISAAC Singapore

Not everyone is born with the ability to communicate the same way as the rest of us do. For people who use alternative and augmentative forms of communication (PWUAAC), AAC is their main mode of communication. However, this mode of communication is rarely seen. ISAAC Singapore works to raise awareness of AAC, by having awareness-building events co-organised by PWUAAC and their families.

## 14 Methodist Welfare Community Services (MWS): MWS Family Development Programme (FDP) ONGOING

MWS – shared anecdotally that the debt programme has alleviated financial burden and anxiety as they now have a pot of savings to tap on for necessary use. Education has also helped them to curb unnecessary spending.

This is a poverty alleviation programme designed to help distressed and low-income families clear debt and accumulate savings. This helps families build resources to buffer against crises, reduce their anxiety of being in debt and increase their emotional capacity and cognitive bandwidth to manage challenges and plan for the future, with the longer term outcome of both instilling a habit of saving money and avoiding debt.

**GRANT AMOUNT**  
**\$20,000**

**BENEFICIARIES**  
**189**

**VOLUNTEERS**  
**122**

**Singapore Youth Theatre (SYT)** ONGOING

SYT provides a free holistic theatre-making programme for young people and students from the ages of 13 to 17 to learn and develop themselves in theatre regardless of their socioeconomic circumstances. It aims to help the youth gain maturity and improve as theatre makers, feel a sense of achievement from a completed piece of work and learning to work with people from all walks of life.

## LIST OF 2024 FMAS TRAMPOLINE FUND GRANTEE PARTNERS

**S/N**   **Organisation Name**   **Funding Scope**

1	<b>ART:DIS</b>	Ceramics Open Studio is a year-long project targeting 12 to 15 persons with disability (PWDs) aged 18 and above who lack job placement opportunities due to their specific needs and provide vocational training in ceramics. <a href="https://www.artdis.org.sg/">(https://www.artdis.org.sg/)</a>
2	<b>Awful Grace</b>	Family Matters is an ongoing programme till May 2025, that aims to reconcile 13 incarcerated individuals with 26 family members (2 per family), using Restorative Practice principles and psychoeducational methods. <a href="https://awfulgrace.org/">(https://awfulgrace.org/)</a>
3	<b>Curious Thoughts Giving Limited</b>	CuriousTime@SSAs (Math) is targeted at 40 preschool children (4 to 8 years old) from lower resourced families. The programme aims to equip lower resourced children with the necessary Mathematical skills and educational resources to ensure the best learning outcomes. <a href="https://giving.curiousthoughts.sg/">(https://giving.curiousthoughts.sg/)</a>
4	<b>Daughters Of Tomorrow</b>	The Bridges to Employment Programme aims to enhance employer engagement for 30 employers, and provide specialized support for 150 lower-income women seeking financial stability as they re-enter the workforce over a one-year period. <a href="https://daughtersoftomorrow.org/">(https://daughtersoftomorrow.org/)</a>
5	<b>Epworth Community Services</b>	Project Catapult is a 15-month project supporting 25 children and youths, aged 7 to 18 years old recovering from trauma, to achieve post-traumatic growth. It aims to support them in developing life skills for better coping mechanisms, providing opportunities for talent development, assisting in setting and achieving new life aspirations, and encouraging ongoing recovery efforts. <a href="https://www.epworth.sg/">(https://www.epworth.sg/)</a>
6	<b>Foundry</b>	Foundry, by The Majority Trust, is a unique collective impact hub addressing the significant challenges faced by smaller social impact organisations. There is a gap in support for these organisations - they often operate in isolation, lack critical resources, and struggle to scale their impact. Foundry ensures that smaller impact organisations can thrive so that the vulnerable communities they serve can thrive too. <a href="https://foundry.sg/">(https://foundry.sg/)</a>

# TRAMPOLINE FUND

## LIST OF 2024 FMAS TRAMPOLINE FUND GRANTEE PARTNERS

**S/N**    **Organisation Name**    **Funding Scope**

7	<b>Lutheran Community Care Services</b>	Project Kaleidoscope is a year-long pilot initiative by LCCS and Society for the Promotion of Attention Deficit Hyperactivity Disorder Research and Knowledge (SPARK) to target 10 families with children aged 11 to 12 years old who have been diagnosed with ADHD. The programme aims to boost caregiver confidence in caring for children with ADHD, to foster resilience within the family unit, and to create a supportive environment for their children. ( <a href="https://lccs.org.sg/">https://lccs.org.sg/</a> )
8	<b>New Life Community Services</b>	Steady Readers (SR) is an ongoing early intervention programme to provide customised support for 70 children aged 5 to 10 years old (K2 to Primary 4 students) from lower resourced families and/or transnational families, who struggle with reading at their academic level. ( <a href="https://www.newlife.org.sg/">https://www.newlife.org.sg/</a> )
9	<b>New Life Stories</b>	Mama Befriending is a 16-month (between September 2024 to January 2026) post-natal pilot befriending programme to support 10 incarcerated mothers who have given birth in prison. ( <a href="https://www.newlifestories.org.sg/">https://www.newlifestories.org.sg/</a> )
10	<b>REACH Community Services Society</b>	REACH Community Services reached out to the Least, the Lost and Lonely in the community through a variety of programmes and professional services. ( <a href="https://reach.org.sg/">https://reach.org.sg/</a> )
11	<b>Reading Roots</b>	Project Sprout is a year-long structured and evidence-based literary programme with tailored interventions for 50 children from under-resourced families aged 4 to 7 years old. This early intervention programme aims to provide upstream literacy support prior to entry to primary school. ( <a href="https://www.instagram.com/readingrootssg/">https://www.instagram.com/readingrootssg/</a> )
12	<b>Wild Rice Ltd</b>	Young & Wild is a comprehensive 10-month acting programme which targets aspiring 14 to 17 young actors aged 25 to 35 years old. The programme aims to equip them with the necessary skills for a career in the creative industry and to bridge the gap between amateur productions with the professional world of theatre. ( <a href="https://www.wildrice.com.sg/">https://www.wildrice.com.sg/</a> )
